2007 SEASON OUTLOOK

REIGNING PAC-10 CHAMPS ARE HUNGRY FOR MORE IN 2007

Coming off its first-ever Pac-10 title last season, California seeks to continue its success in 2007. Eighth-year head coach **Kevin Grimes** looks to a three-member senior class to lead his Golden Bears.

Last season, Grimes' squad produced a 13-6-1 record and a 7-3 Pac-10 mark, which was good enough to claim the conference crown. A sixth straight NCAA Tournament appearance led to the overall No. 13 seed in the NCAA Tournament, a first-round bye and a 3-1 second-round victory over New Mexico.

Cal lost nine players from 2006 but retains a talented group in addition to a recruiting class that was ranked No. 16 by *College Soccer News*. Leading the way among the returners is senior forward **Javier Ayala-Hil**, who led Cal in goals (12) and points (26) last year and was an All-Pac-10 first-team selection. Senior midfielder **Andrew Jacobson**, a two-time first-team All-Pac-10 choice, was second to Ayala-Hil in shots on goal, as the latter had 24 and Jacobson recorded 21. Senior defender **Luke Sassano**, sophomore midfielder **Imaan Kerchvani** and junior midfielder **Jacob Wilson** were 2006 honorable mention All-Pac-10 picks.

"We are all looking forward to the 2007 season," Grimes said. "The 2006 season had some great moments and great success. We hope to continue that momentum with our program and in particular in the 2007 season."

FORWARDS

Ayala-Hil and Wilson give Cal options for another strong frontline. Ayala-Hil, who started every game last year, recorded five game-winning goals in 2006 and scored twice in Cal's 3-1 win over New Mexico in the second round of the NCAA College Cup. Wilson recorded four goals, two assists, and 10 points last season. He also contributed two game-winning goals. Although Ayala-Hil and Wilson are the only two returning forwards, Grimes has brought in five newcomers to add depth at the position – junior **Chris Deal** and freshmen **Demitrius Omphroy**, **Davis Paul**, **Scot Van Buskirk** and **Andrew Wiedeman**. Paul was recently selected one of *College Soccer News*' "100 Freshmen From Coast To Coast To Keep An Eye On."

"Our forward line is creative and talented," Grimes said. "Ayala-Hil and Wilson had breakout seasons for Cal this past year. We also have a number of incoming players who will add quality depth up front."

MIDFIELDERS

Two potent weapons the Bears have at midfielder are Jacobson and sophomore **Hector Jimenez**. Jacobson brings a lot of experience to the table as he is one of three returning Bears to start all 20 games in 2006. The Palo Alto native also tallied two game-winning goals last season. Jimenez, a member of the U.S. Under-17 National team in 2004-05, led Cal with six assists last year and participated in all 20 games, starting 16 of them.

"Our midfield has always been the strength of our team, particularly the depth," Grimes said. "We have plenty of players who can contribute this year. Jacobson and Jimenez had outstanding seasons. Sophomore **Ian Ebert**, Kerchvani and redshirt freshman **Anthony Avalos** all made great strides in 2006 and look to have breakout years."

Kerchvani, Avalos and sophomore **Evan Sassano** (the younger brother of Luke Sassano) were teammates on the San Juan/Santa Clara Ruckus squad that reached the final in the 2007 McGuire Cup. The trio was also part of a Santa Clara Sporting Ruckus club that won the Under-18 Cal North state championship in 2006. Ebert, meanwhile, is a former member of the Irvine Strikers, one of the top youth clubs in the nation that has produced several veteran Cal players and recent graduates.

Other Bears who will add depth in midfield include juniors **Pat Marion** and **Michael Nieraeth**, freshmen **A.J. Soares** and **Servando Carrasco** and redshirt freshman **Patrick Dolan**.

DEFENDERS

Luke Sassano will anchor the defense this season, coming off a 2006 campaign that saw him record five assists. Seven of Sassano's 12 shots last year were shots on goal, giving him the highest percentage on the team at .583.

Junior **Tyler Barry** and sophomore **Josh Leon** will help round out the defense. Leon will provide depth in what has been a stingy backline under Grimes. Barry will

help Sassano with experience and leadership as he is the third returning Bear who started every game in 2006. Sophomore **Kyle Rice** also looks to make a significant impact.

"The adjustments we have made this past spring in our backline have turned out to be great ones," Grimes said. "With the presence of Luke Sassano, Barry, Leon and Nieraeth, our back four hasn't missed a beat. Rice, Evan Sassano and Dolan also look to make a significant contribution to the back four."

GOALKEEPERS

Sophomore **Stefan Frei** is Cal's lone returning goalkeeper in 2007. Frei competed in six games, starting five of them, last year. Both of his victories were shutouts. In nearly 460 minutes of work, Frei allowed three goals and recorded 18 saves.

Two newcomers will look to make a mark on this year's squad. Junior **Patrick Fry** joins the Bears after transferring from Cal State Los Angeles and freshman **Jordan Bethke** rounds out the depth for Cal at keeper.

"Stefan Frei returns after a good freshman season," Grimes said. "All three of our goalkeepers have great qualities in their games. This position has the most competition for playing time out of any other on the field."

SCHEDULE

Grimes has compiled yet another challenging schedule in 2007, with Cal playing six teams (Washington, UCLA, Towson, San Francisco, Santa Clara and San Diego State) that reached the 2006 NCAA Tournament, three of which received first-round byes like the Bears (UCLA, Santa Clara and Towson). UCLA reached the College Cup final before falling to UC Santa Barbara, 2-1. Towson wrapped up the season with a record of 15-2-3 and a national ranking of 15.

UCLA, San Diego State and Washington combined with Cal to give the Pac-10 four teams in the postseason. All three also ended the season in the NSCAA's top 25 national rankings, with UCLA ranked second, Cal ranked 12th and Washington ranked 20th.

"Once again Cal is going to have a top 10 strength of schedule ranking," Grimes said. "Our players and coaches wouldn't want it any other way."

CALIFORNIA HEAD COACH

Kevin GRIMES

Eighth Year at Cal

Head coach Kevin Grimes enters his eighth season as the leader of the California men's soccer program after coming off some of his best seasons as a Golden Bear and his unprecedented third – and second straight – Pac-10 Coach of the Year award (2002 and 2005-06).

Grimes led the Golden Bears to their sixth straight NCAA Tournament appearance and along the way achieved his 80th career victory, in a Pac-10 championship clinching victory over UCLA on Oct. 29, 2006. The Pac-10 crown was Cal's first.

Cal reached the sweet 16 of the NCAA Tournament in 2006, and the Bears compiled a 13-6-1 overall record and a 7-3-0 conference mark. Among the big wins during the regular season were upsets of ninth-ranked UCLA, 3-1, on Sept. 22 and of ninth-ranked Washington, 2-0, in Seattle on Oct. 8.

Grimes now has an 81-51-13 overall record at Cal. Only three other Cal coaches have reached the 80-win plateau, and Grimes' 81 total wins rank him fourth on the all-time list. Legendary Cal player and coach Bob DiGrazia tops the list with 202 career victories.

The 2005 season featured Cal's best postseason campaign in school history and Cal's best winning percentage (.738, 14-4-3 record) since 1985 (.750, 16-5-1). The Bears reached the elite eight of the NCAA Tournament, surpassing the 2002 and 2006 Grimes-led squads that reached the tournament's sweet 16. Cal played another slate of nationally ranked teams, beating fourth-ranked UC Santa Barbara, 2-0, seventh-ranked Santa Clara, 1-0, and 16th-ranked San Diego State, 2-1.

The 2004 season featured an overtime victory over No. 17 Santa Clara to advance to the second round of the NCAA Tournament. Cal finished the season at 13-4-3 and tied for second in the Pac-10 at 4-3-1. The Bears matched a program-high nine-game unbeaten streak to start the season. Late in the season Cal had two exciting double-overtime victories, beating Stanford, 3-2, and edging No. 5 Washington, 1-0.

In 2003, Grimes led the Bears to their

third consecutive NCAA Tournament, beating San Jose State, 2-0, to advance to the second round of the tournament. Cal finished the season 11-9-2 (5-4-1, tied for 3rd Pac-10). Highlights from the season included a two-game sweep of rival Stanford and a four-game winning streak that included two wins over 2003 WAC champion San Jose State.

Grimes led the Bears squad to a 14-6-2 mark in 2002. He was rewarded by being named the NSCAA/adidas Division I Far West Region Coach of the Year, becoming only the third Bears coach, after DiGrazia (1977) and Bill Coupe (1983), to receive the award.

Regular-season highlights in 2002 included a nine-match winning streak and 1-0 regular-season wins over eventual NCAA finalists UCLA and Stanford. More remarkable was Cal's 10-1-0 home record, serving notice to the country that Goldman Field was not a welcome place to play.

Cal's first postseason victory came in 2002 over UC Santa Barbara, 2-1, in the second round of the NCAA Tournament.

They finished the season ranked No. 14 in the country, and Grimes had Cal on its way to becoming one of the premier programs in the nation.

Grimes had bright moments in his first season as coach when he led the Bears to a 1-0 victory over No. 7 UCLA. Grimes guided his team to the biggest win of 2000 when it toppled No. 3 Indiana, 2-1.

Grimes, 39, came to Cal after serving as an assistant coach at his alma mater, Southern Methodist, for three seasons. During his tenure at SMU, the Mustangs recorded a 50-11-2 record and earned three NCAA tournament bids.

Before joining the SMU coaching staff, Grimes spent three seasons (1995-97) as coach of the Mission Viejo (Calif.) Pateadores Soccer Club, which is one of the nation's premier soccer clubs with numerous players competing at Division I programs across the country. He also coached the Irvine (Calif.) High School girls' varsity team from 1995-97 and the San Juan (Calif.) Soccer Club from 1993-94.

Originally from St. Louis, Mo., Grimes was a stellar high school player. As a member of the Scott Gallagher Soccer Club, he won the 1984 Under-19 McGuire Cup National Championship. In 1986, he was named a *Parade* All-American and *Parade's* National Defender of the Year as a senior at Rosary High School.

As a collegiate athlete, Grimes helped build the SMU program into one of the nation's perennial soccer powers from 1986-89. A two-year team captain, he was a two-time first-team All-American and a two-time finalist for the Hermann Award, which is given annually to the best collegiate men's and women's soccer players. Grimes graduated from SMU in 1990 with a bachelor's degree in economics.

Grimes played with the U.S. national team from 1988-91, acquiring seven full international caps and appearing in more than 50 matches. He went on to play professional soccer for eight years, most recently with the Orange County Zodiac of the A-League in 1997, when he was selected to the A-League All-Star Game in Rochester, N.Y. Grimes spent early 1996 with the former San Jose Clash of Major League Soccer.

Grimes' coaching credentials also include both the U.S. Soccer Federation "A" license and the National Soccer Coaches Association of America's Advanced National license.

Grimes, his wife, Nori, and their son, Emerson, reside in the East Bay.

ASSISTANT COACHES

Pieter LEHRER

Assistant Coach
Third Season at Cal

Pieter Lehrer, who has a long list of coaching experiences, enters his third season at Cal as an assistant coach for the Golden Bears.

Lehrer joined the Bears from the University of Evansville in Indiana, where he spent the 2004 season as an assistant coach. Previously, he spent four years as an assistant coach for Stanford from 1999-2001 and in 2003, with three teams making NCAA College Cup appearances. During that time, he was honored with the AFLAC National Assistant Coach of the Year award.

In 2001, he joined the staff of the MLS' Los Angeles Galaxy as an assistant coach. While with the Galaxy, his team was MLS Cup champion as well as U.S. Open Cup champion. Lehrer was also an assistant coach for the ODP U-18 Region IV team, as well as the head coach for the ODP District II team.

Before his coaching days began, Lehrer played collegiate soccer for UCLA and was a member of the 1985 NCAA championship team. He graduated from UCLA in 1990 with a degree in history.

Lehrer played professional soccer in Europe from 1986-88.

He participated in the 1996 Olympics in Atlanta as a member of the Antigua high kneel canoe team.

Lehrer's wife, Christy, was a former record holder and team captain of the Stanford track and field team. She is a sports medicine physician currently in private practice in Pleasanton. The Lehrers reside in the East Bay with their one-year-old daughter Macy and yellow lab, Rio.

Henry FOULK

Goalkeeper Coach
Eighth Season at Cal

Henry Foulk, a nationally regarded goalkeeper at California from 1981-83, returns to his alma mater for an eighth season as the goalkeeper coach.

A three-time All-Pacific Conference selection, Foulk ranks third in Cal history with a lifetime 0.90 goals-against average and fourth with 20 career shutouts. He also ranks among the school's all-time best in the season record books with a 0.74 GAA in 1981 (fourth) and eight shutouts in both 1981 and '83 (fifth).

Foulk was a member of the 1980 U.S. Olympic soccer team, which did not

After graduating from Cal in 1984, Foulk gained many years of professional playing experience, including with the NASL's Los Angeles Aztecs, the ASL's Sacramento Gold and with teams in Switzerland and Germany.

Raised in Europe and now a resident of Walnut Creek, Foulk also has several years of coaching experience in the Bay Area. He spent two years as the head boys' varsity coach at De La Salle High School in Concord and the last four and a half years as coach of the Diablo Valley Soccer Club.

MEN'S SOCCER ENDOWMENTS

Josh Leon, recipient of the 2006 Rolling Thunder Scholarship.

BOB DiGRAZIA

The Bob DiGrazia Scholarship fund, established in the fall of 2004, honors the legacy of the late Bob DiGrazia, the legendary University of California alumnus, coach, and administrator.

Bob DiGrazia was a standout player at California, winning the school's first All American honors in 1950. DiGrazia went on to coach the Golden Bears from 1952-1980, posting a 29-year record of 202-133-39. DiGrazia later served as an administrator at the University and as the chair of the "Friends of Cal Soccer" booster organization.

He passed away in December of 2006.

The recipient of this year's award is freshman Anthony "A.J." Soares.

RECIPIENTS

- 2004 – Javier Ayala-Hil
- 2005 – Ryan Villalpando
- 2006 – Pat Dolan
- 2007 – Anthony "A.J." Soares

ROLLING THUNDER

The Rolling Thunder Scholarship fund is an endowment established in memory of the late Robert J. Strasser, the former CEO of adidas America and an alumnus of the University of California.

The Rolling Thunder Scholarship is

awarded to the men's soccer player(s), as selected by head coach Kevin Grimes, who best conveys the spirit of Rob Strasser - hard-working individuals who are passionate about soccer and share the belief that athletics teach some of life's basic lessons. Freshman Josh Leon is the recipient of the 2006 Rolling Thunder Scholarship, which dates back to 1995.

The scholarship is dedicated to Strasser's memory and is funded by donations from his many friends and colleagues, including adidas America. The patrons of the Rolling Thunder Scholarship gather annually at the California adidas Classic in Strasser's honor.

A Rolling Thunder Team fund also has been established in conjunction with the scholarship award for the benefit of the men's soccer team. Donations are used for men's soccer expenses, excluding travel and equipment.

The recipient of this year's award is freshman Davis Paul.

MATT SIMI

Established in the fall of 2002, the Matt Simi Scholarship fund has graciously been donated by former Cal standout goalkeeper Matt Simi. The scholarship is awarded to a deserving freshman chosen by head coach Kevin Grimes.

Despite Simi graduating from Cal in 1990, his name remains in the record book. During his collegiate career (1987-89), Simi racked up impressive statistics, ranking seventh on the career list for goals-against average (1.40). His 13 career shutouts place him seventh on the all-time list.

The recipient of this year's award is freshman Jordan Bethke.

2006 SEASON IN REVIEW

Javier Ayala-Hil

CAL WINS FIRST PAC-10 TITLE

The 2006 season saw California claim its first-ever Pac-10 championship. The Golden Bears, who were ranked as high as sixth last year, advanced to the third round of the NCAA College Cup as the No. 13 seed. After receiving a first-round bye, they got revenge on the team that ousted them from the College Cup the year before, New Mexico, with a 3-1 victory. Cal played another slate of nationally ranked teams, twice beating UCLA, (ninth and 14th), Washington, (ninth) and New Mexico (25th).

BEARS RECORD SIXTH CONSECUTIVE NCAA BID

Cal played in its program-record sixth-consecutive NCAA tournament last season. The 2005 season featured the Bears' best postseason campaign in school history and the team's best winning percentage (.738, 14-4-3 record) since 1985 (.750, 16-5-1). The Bears reached the quarterfinal round of the 2005 NCAA Tournament. In 2004, Cal advanced to the second round of the tourney, before falling to SMU, 1-0. In 2003, the Bears reached

the second round, losing to UCSB, 2-0. In 2002, Cal made an impressive run to the sweet 16 and finished 14-6-2. In 2001, head coach Kevin Grimes' second year, the Bears reached the first round of the tournament for the first time in four years.

PURDY AND MYERS NAMED ALL-AMERICANS

Senior Steve Purdy racked up many awards last year. In addition to being a first-team selection on the All-Pac-10 team, Purdy also earned second-team All-America honors by the National Soccer Coaches Association of America (NSCAA) and *College Soccer News*. Purdy also earned the team's Bob DiGrazia award as the Golden Bears' MVP for the 2006 season. He also took home Cal's Offensive MVP honors. Purdy, Cal's top defender in 2006, was also Cal's second-leading scorer with 12 points (5 goals, 2 assists), and he scored two game-winning goals. Goalkeeper Justin Myers was named to the *Jewish Sports' Review's* 2006 All-America team. Myers who compiled a stingy goals-against average of 0.87, was also an All-Pac-10 honorable mention selection. Myers played 1,350 minutes and 26 seconds in goal, notched six shutouts and registered an 11-4 personal record. He led the Pac-10 Conference in lowest GAA (0.87) and best save percentage (80.3) and was tied for second in the Pac-10 in shutouts (6).

GRIMES NAMED 2006 PAC-10 COACH OF THE YEAR

In his seventh year at Cal, Kevin Grimes earned the 2006 Pac-10 Coach of the Year award for the second year in a row and for the third time (2002) in Berkeley. He is the only Cal men's soccer coach to win this award more than once. Grimes and the Bears captured their first Pac-10 title in school history. Cal's bid into the postseason set a program record of six consecutive NCAA Tournament appearances and marked the second straight season the Bears have gone into the playoffs seeded.

Andrew Jacobson

BEARS PLACE 10 PLAYERS ON THE ALL-PAC-10 TEAM

Ten Cal players earned All-Pac-10 honors for 2006, including a school record four first-team choices. First-team honorees included seniors Eric Ebert (3 goals, 2 assists, 27 shots) and Steve Purdy (5 goals, 2 assists, 28 shots) and juniors Javier Ayala-Hil (12 goals, 2 assists, 45 shots) and Andrew Jacobson (3 goals, 2 assists, 49 shots). The six Bears to earn all-conference honorable mention status were senior Nick Hatzke, juniors Justin Myers and Luke Sassano, sophomore Jacob Wilson and freshmen Hector Jimenez and Imaan Kerchгани. Jacobson is a two-time All-Pac-10 honoree.

THREE PLAYERS EARN PAC-10 ALL- ACADEMIC HONORS

Three members of the California men's soccer team earned Pac-10 All-Academic honors for the 2006 season. Matt Holtrust was named to the second team, while Nick Hatzke and Michael Nieraeth received honorable mention. It was the second time Holtrust was a second-team pick. He also earned honorable mention All-Academic recognition in 2004.

PACIFIC-10 CONFERENCE STANDINGS

The Pac-10 men's soccer conference, coming off of its seventh year of existence, once again defended its reputation for national dominance.

Pac-10 teams California, UCLA, Oregon State, Washington and Stanford amassed a 37-20-6 (.635) record against non-conference Division 1 teams in the process of sending four teams to the NCAA tournament. Cal captured it's first-ever Pac-10 title in 2006 after going 7-3-0 in

conference play and 13-6-1 overall. After its first-round bye, Cal defeated New Mexico before Virginia eliminated the Bears in the third round of the NCAA Tournament. It was the first time since 2003 that the Pac-10 earned four bids to the NCAA Tournament and the Bruins became the first Pac-10 team to advance to the national championship match since 2002. UCLA lost to UC Santa Barbara in the Sunday finale of the tournament, 2-1. Washington

shutout Creighton in the first round but lost in overtime to No. 10 Santa Clara.

Also earning a bid to the Big Dance was San Diego State, which lost to eventual champion UC Santa Barbara in the first round of play.

Next season's action looks to remain top-notch, with two Pac-10 teams finishing in the top 25 national rankings according to Soccer America (California 11th, UCLA 14th).

GOLDMAN FIELD AT EDWARDS STADIUM

The California men's soccer team competes at one of the nation's top collegiate facilities - Goldman Field at Edwards Stadium. The complex seats 22,000 and opened for soccer prior to the 1999 season.

The field was previously the track & field infield at historic Edwards Stadium, which opened in 1932, but was converted into a regulation 70-by-115-yards natural grass soccer field for use by the Cal men's and women's soccer teams. In addition to the field renovations, which included a state-of-the-art drainage system, the stands, restrooms and press box also were upgraded. A scoreboard was added prior to the 2005 season, and there are plans to eventually add stadium lights, which will allow for night games.

The \$3.5 million spent on renovations gives Cal the ability to host NCAA championships and international matches. In July of 2002, Edwards Stadium was the site of an exhibition between two Mexican Premier Division teams - Monarchs of Morelia and Atlas of Guadalajara.

Edwards Stadium opens for the 1999-2000 academic year and is home to Cal's men's and women's soccer and track and field teams.

STRENGTH & CONDITIONING

An integral part of Cal soccer is the strength and conditioning program. The program's philosophy is geared towards helping each student-athlete achieve the highest level of athletic development.

By teaching how all the components of strength and conditioning fit together, student-athletes understand how to maximize force production. This includes enhancement of speed, strength and flexibility, which results in improved power. Motivating, educating and maximizing athletic development is the primary focus of the Cal program.

The Cal weight room at Haas Pavilion includes six Olympic platforms, more than 5,000 pounds of Olympic bars and bumper plates, and an array of aerobic and anaerobic equipment. The facility is brightly designed and overlooks Evans Diamond to the west. Cal also has a 2,000-square foot weight room in Memorial Stadium with similar Olympic equipment that offers panoramic views of the entire region, including San Francisco and the Bay.

The training regimen is a year-round process that emphasizes speed, strength and flexibility. With closely monitored workouts that involve individual instruction

and attention, student-athletes are taught the correct techniques to increase their ability to perform at their peak during competition.

Cal's program stresses comprehensive training in order to improve both strength and speed. Flexibility is a key component because it is essential for proper lifting. It also improves the running mechanics needed for acceleration and deceleration, both essential for playing soccer.

Athlete workouts are closely monitored by the conditioning staff, who work in collaboration with the entire sports medicine team (doctors, athletic trainers, physical therapists, nutritionists, etc.) to ensure the health and safety of all of the student-athletes.

Cal's strength and conditioning program is a vital component linking the "full circle" of a student-athlete's physical development.

ACADEMIC SUPPORT PROGRAM

One of the real success stories for the University of California is the development and growth of a comprehensive academic support program for its student-athletes – the Athletic Study Center.

In 1984, campus officials and Athletic Department administrators decided that a greater emphasis needed to be placed on helping Cal student-athletes with their academic pursuits. The Athletic Study Center was thus born and charged with developing an academic support program geared to the needs of NCAA Division I student-athletes. It was a significant development for an academically oriented institution such as Cal to recognize the special needs required for a modern student-athlete's success both as an athletic competitor on the field of play and in the classroom.

PROGRAM FOR STUDENT-ATHLETES

The Athletic Study Center, which is housed within the Division of Undergraduate Education, is the tutorial and academic support program for the nearly 1,000 student-athletes at Cal. Centrally located in the Cesar Chavez Student Center, the program provides a spacious and comfortable arboretum for quiet study, separate classrooms for individual and group tutorials, and a computer lab for word processing and required course work.

Geared around the understanding of the amount of time student-athletes must devote to practice, training, physical therapy and team travel, the program creates an environment where students can cultivate good study habits, receive individual or group tutoring and obtain counseling from academic advisors.

TUTORIAL PROGRAM

The Tutorial Program promotes and enhances students' academic skills and progress by providing individual tutoring, group workshops, study groups, credit courses and intensive special programs. The Athletic Study Center has between 50-60 tutors on staff per semester to guarantee that students receive the best possible support. Tutorial sessions are also offered at night enabling student-athletes to receive help after practices when they have more time to devote to studying.

ADVISING PROGRAM

The Advising Program offers a broad range of services to meet the unique needs of student-athletes, including assistance in understanding and complying with University, college and NCAA requirements, developing time management skills and resolving personal issues unique to student-athletes. During the freshman year, advisors typically try to help student-athletes make a successful academic transition from high school, while during the sophomore year, they assist student-athletes in making decisions on appropriate majors and fields of study. For the final two years, advisors take more of an exiting approach, ensuring that proper academic progress is being made towards graduation while referring juniors and seniors to areas on campus that can help with internships, graduate school applications and career planning.

SPECIAL PROGRAMS

The Athletic Study Center offers a Summer Bridge adjunct program to help ease the transition to college. The primary

components for the program include writing and math workshops, an advising workshop, study skills seminars and an evening tutorial program.

Another special program offered is Peer Advising. Peer advisors provide academic and campus life guidance for new intercollegiate student-athletes. They are selected from junior and senior student-athletes who assist in developing programs to further address the needs of student-athletes.

THE UNIVERSITY

The University of California is one of the world's leading academic institutions. The school, known throughout the world as "Cal," is truly a prototype of a contemporary university. It attracts what many consider the finest applicant pool in the country, generates an ethnically and culturally diverse student population on campus, and provides one of the finest learning experiences in the world today.

WORLD-CLASS FACULTY AND STUDENTS

The Berkeley campus is renowned for the size and quality of its libraries and laboratories, the scope of its research and publications, and the distinction of its faculty and students. National rankings consistently place Cal's undergraduate and graduate programs among the very best. The faculty includes seven Nobel Laureates, 128 members of the National Academy of Sciences, 16 MacArthur Fellows, 83 Fulbright Scholars, three Pulitzer Prize winners and more Guggenheim Fellows (139) than any other university in the country.

The quality of Cal's diverse and independent student body complements the stature of the faculty. Almost 33,000 students annually enroll at Cal. Of these, about 23,000 are undergraduates. Students come to Berkeley from all over

California, in addition to every state in the union and more than 2,000 students from more than 75 countries around the world.

THE BAY AREA

Overlooking San Francisco Bay, the campus is a lush and tranquil 1,232-acre oasis in an urban setting. The grounds have retained much of the beauty of their rural beginnings. Spacious lawns, hiking and running trails, as well as groves of oak, redwood and eucalyptus blend with the Neo-classical architecture of John Galen Howard. The University is bordered by the wooded rolling hills of Tilden Regional Park and the City of Berkeley, one of America's most lively and culturally diverse municipalities.

ACADEMIC SUCCESS

By any standard, Cal offers its students one of the best educations available. Since its birth it has earned a reputation unmatched by any public university in America. According to a recent study by the National Research Council, Cal ranks first nationally in both the number of graduate programs in the Top 10 in their fields (97 percent) and the number of "distinguished" programs for the scholarship of the faculty (32 programs).

Although Cal is well known for its stellar graduate programs, undergraduate teaching is a campus priority. Nearly half of all courses offered at the undergraduate level have 25 students or fewer, and many lecture courses include smaller laboratory or study group sections which allow close

interaction with professors and other instructors.

Cal offers a wide arena for academic endeavor and personal growth with more than 7,000 courses in nearly 300 degree programs. Support services such as the Student Learning Center, Career and Graduate School Services, the Disabled Students' Program, and campus and alumni mentor programs reflect Cal's commitment to undergraduate education. Study abroad is available to undergraduate students through the Education Abroad Program, which maintains more than 90 study centers in countries such as Australia, Costa Rica, Hong Kong, Italy, New Zealand and Thailand.

ATHLETIC EXCELLENCE

The excellence of the University's intercollegiate athletic program rivals the school's academic reputation as Cal boasts one of the finest all-around programs in the nation. Twenty-seven sports - men's and women's basketball, crew, cross country, golf, gymnastics, soccer, swimming and diving, tennis, track & field and water polo; men's baseball, football and rugby; along with women's softball, volleyball, field hockey and lacrosse - are sponsored by the University. Over the years, Cal has captured more than 60 national team championships - most recently rugby and men's and women's crew in 2006 - while claiming over 130 NCAA individual championships in a variety of sports.

OUTSIDE THE CLASSROOM

A myriad of activities also goes on outside the classroom. There are more than 350 registered student organizations, such as the Marching Band, Hang Gliding Club, radio station KALX, ethnic associations, humor and literary magazines, debate team, Cal Corps (volunteer programs), Cal in the Capitol/Sacramento, and political organizations.

In addition, Cal has a host of other features, including public lectures and concerts, campus-sponsored forums and seminars, clubs and workshops, international festivals, art, photographic, design, architectural, anthropological and archaeological exhibits and displays, and dozens of bookstores near campus - all of this making Berkeley one of the most intellectually stimulating communities in the country.
